What is Project HELP?

Following one of the Seven Cooperative Principles - **Concern for Community** - MLEC offers Project HELP. It gives participants a way to help others when they need it most.

Winter can be the toughest part of the year for many people, and when unexpected difficulties arise, it can also be the scariest.

Project HELP is an emergency assistance fund, sponsored by the donations of MLEC members, to help others stay warm in the cold winter months.

It is not intended to be an ongoing source of extra income, but a temporary help to be used for paying electric bills.

Since the program's beginning more than a decade ago, MLEC members have donated tens of thousands of dollars to help their neighbors.

Who receives HELP?

Those receiving funds through Project HELP include those over 60 years old on limited, fixed incomes; the handicapped; the medically disabled; and those not currently economically self-sufficient.

MLEC does not distribute funds or determine eligibility. This is done by local community action agencies.

How can I HELP?

You can donate \$1, \$2, or more each month, conveniently added to your electric bill. Or, you can make a one-time donation.

Simply complete the participation form on this brochure and return it to MLEC.

You will see the Project HELP amount reflected on your bill until you request to stop.
